FILL IN AUTHOR

This document was typeset in L^AT_EX^[1], with citation management in natbib^[2] or BibTeX^[3].

Within this Introduction, Section 1.1 describes this and that Chapter 2 contains figures.

1.1 FILL IN SUBSECTION

1.1.1 Fill in subsubsection

Equation 1.1 looks fancy!

$$\frac{\partial u}{\partial t} = \mathbf{D} \frac{\partial^2 u}{\partial x^2} + \mathbf{f}(u), \quad (1.1)$$

by which the density u is governed across space x and time t .
